

Our Automated Cleaning Tool

Clean D Window Cleaning

Automated Cleaning

Clean D Window Cleaning utilizes the most advanced automated window cleaning systems on the market, bringing a more cost-effective, safer, and private cleaning process!

Want a demonstration on your building? Call us at, (480) 557-6219

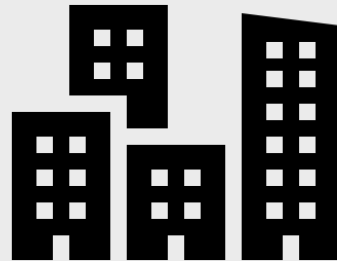

Automated Window Cleaning Tool

- Safely operated from rooftop or ground
- Cleans windows and frames
- Windows stay cleaner longer
- Cleans entire building for extended life
- No chemicals required
- No operator injuries

Our Cleaning System

- Our automated window cleaning system is ideal for buildings up to 15 stories.
- Wheels make maneuvering the unit fast and simple
- Using soft touch foam brush carwash technology with a standard 40 inch cleaning path
- Side brushes can be added to the machine to create an 80 inch cleaning path.
